The diagram features a central blue arrow pointing left towards the word "Nectar". From the tail of this arrow, four curved blue lines branch out to the left, each ending in an arrowhead pointing to one of the following symptoms: "Watery Eyes", "Runny Nose", "Congestion", and "Rashes". The word "Nectar" is written in a large, bold, black sans-serif font, followed by a small circular logo icon consisting of three horizontal bars of increasing height.
