

# THE AVERY

HOTEL + BRASSERIE

## THE HOTEL

### A modern return to grace.

Meet downtown Boise's historic boutique hotel, reimagined and meticulously renovated with a distinctively upscale restaurant and late-night gastrotavern counterpart.

Old-world charm and contemporary comfort make our rooms uniquely *The Avery*—perfect for inspiring discoveries downtown and beyond.

DINE + DRINK

# History makes an entrance. Two of them.

Like two sides of a rare coin, *The Avery's* twin restaurants are closely connected but offer deliciously different culinary experiences. *Avery* draws inspiration from the classic French brasserie while *Tiner's Alley* offers up classic English fare and libations served across Boise's most celebrated historic Brunswick bar.
